

# Kateri Seed Powder - Solanum surattense

*Solanum virginianum* · Solanaceae

Herbal powder   INCI listed in EU CosIng

## 1. Product identification

|                         |                                                                                                                                                                                                |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product name            | Kateri Seed Powder - Solanum surattense                                                                                                                                                        |
| Botanical name          | <i>Solanum virginianum</i> (syn. <i>Solanum surattense</i> , <i>Solanum xanthocarpum</i> , <i>Solanum arabicum</i> , <i>Solanum armatum</i> , <i>Solanum diffusum</i> , <i>Solanum ferox</i> ) |
| Plant family            | Solanaceae                                                                                                                                                                                     |
| Common names            | Kateri, Kantakari, Yellow-Berried Nightshade, Bhatkatiya, Katehli, Katehri                                                                                                                     |
| Plant part used         | Seed                                                                                                                                                                                           |
| Product form            | Herbal powder                                                                                                                                                                                  |
| Country of origin       | India                                                                                                                                                                                          |
| Product code (SKU base) | 96607-PDR-SOSUR                                                                                                                                                                                |

## 2. Composition and identifiers

INCI: Solanum Xanthocarpum Powder

| INCI / COMPONENT            | FUNCTION             | CAS        | EC        | PROPORTION |
|-----------------------------|----------------------|------------|-----------|------------|
| Solanum Xanthocarpum Powder | Botanical ingredient | 93165-80-1 | 296-968-9 | 100 %      |

EU CosIng reference no.: 82698 · INCI status: Verified in CosIng

Where more than one CAS number is shown, the botanical substance is registered under several CAS numbers (e.g. EINECS and TSCA variants); all refer to the same INCI name.

## 3. Manufacturing

|           |                                                                          |
|-----------|--------------------------------------------------------------------------|
| Process   | Dried and milled                                                         |
| Additives | No added colours, fragrance or preservatives unless stated on the label. |

## 4. Typical properties

|                     |                                                                           |
|---------------------|---------------------------------------------------------------------------|
| Physical state      | Solid (powder)                                                            |
| Appearance / colour | Characteristic of the plant material; may vary naturally between harvests |
| Odour               | Characteristic                                                            |

Typical values describe the product type and are not a specification. Batch-specific results (assay, moisture, microbiology, heavy metals as applicable) are given on the Certificate of Analysis, available on request.

## 5. Applications and use

|                     |                                                                                                                                     |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Applications        | Culinary, Supplements                                                                                                               |
| Markets             | Food & beverage, Nutraceuticals                                                                                                     |
| Suggested use level | Use according to the formulation; typical inclusion in cosmetics 1–10 %, in food and supplements as permitted by local regulations. |

The formulator is responsible for confirming suitability, stability and regulatory compliance of the finished product in the intended market. Not intended for direct medicinal use.

## 6. Packaging, storage and shelf life

|            |                                                                                                                                                                                 |
|------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Pack sizes | 225 g, 1 Kg, 5 Kg, 25 Kg — bulk and custom quantities on request                                                                                                                |
| Storage    | Store in tightly closed original containers in a cool (below 25 °C), dry, well-ventilated place, away from direct sunlight, moisture, strong odours and incompatible materials. |
| Shelf life | 24 months from the date of manufacture in unopened original packaging stored as recommended.                                                                                    |

## 7. Documentation and quality

|                         |                                                                                 |
|-------------------------|---------------------------------------------------------------------------------|
| Safety Data Sheet       | SDS-96607-PDR-SOSUR — available for download on the product page                |
| Certificate of Analysis | Batch-specific COA available on request                                         |
| Other documents         | Allergen, IFRA, origin and other statements on request, subject to availability |
